Market insights as of February 2020. All trademarks, service marks, logos, and company names are the property of their respective owners.

Feedtrail helped us significantly increase our online reputation at our Surgery Center across several different platforms, including Google and Facebook. Our patients already knew of the best-in-class care we provide at Raleigh Ortho, and now the public does as well. Feedtrail has already helped drive even more business through our doors

Matthew Emig
Director of Marketing
Raleigh Ortho
